

Merger Questions

Q Will the teams doctors be closing down?

A No, Teams Medical Practice will remain open and operational.

Q Will you be staying at the current teams medical premises?

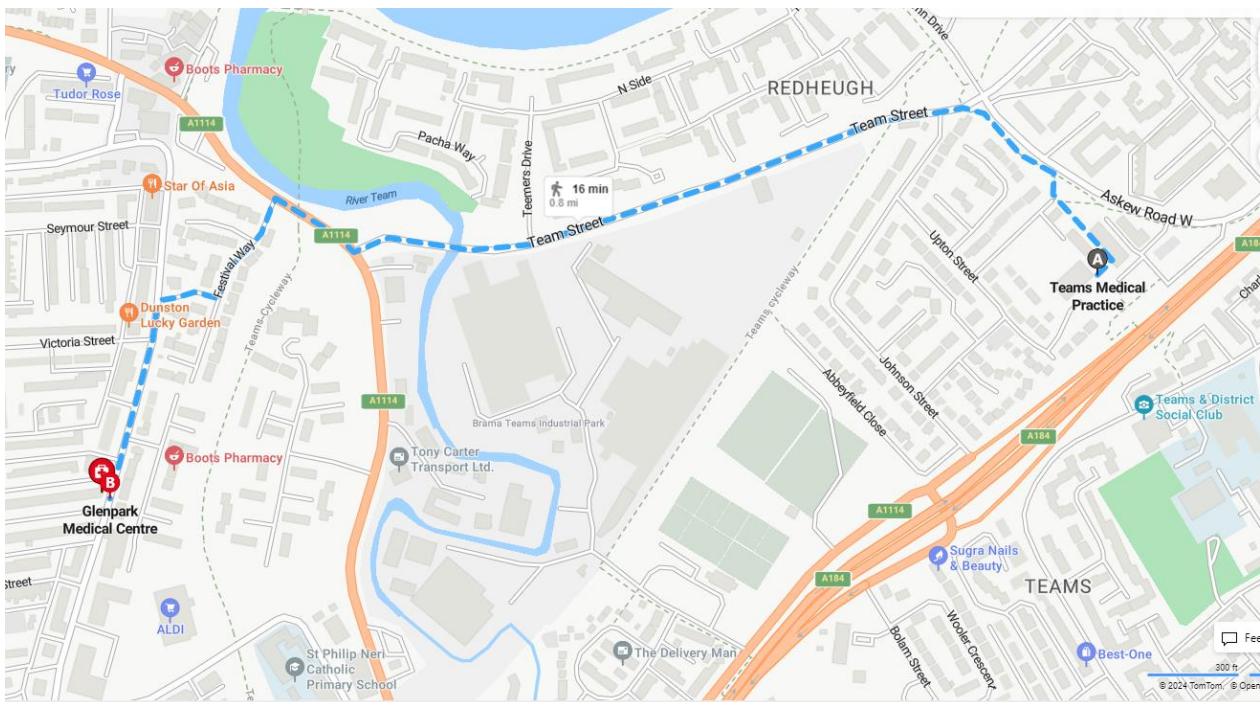

A Yes, there are no plans to close the Teams Medical Practice premises.

Q Will the surgery be moving? What difference will this make to patients?

A No, Teams Medical Practice will not be moving. There are no plans to stop any services that either Practice provides.

Q Where is the Glenpark Surgery?

A Glenpark Surgery can be found on Ravensworth Road, Dunston NE11 9FJ
This is located just behind the Aldi car park in Dunston.

Q What does this entail with appointments etc?

A The plan is to provide routine care from both sites. However, in the future you could be offered an appointment at either site if this was more convenient or suitable for you. Sometimes a service requires specialist equipment, so some additional services may be offered at one site.

We will update patients regarding any new services in due course.

Q Are we still able to get a same day appointment at the practice that patients want to attend?

A Yes. The plan is to provide routine care from both sites. However, in the future you could be offered an appointment at either site if this was more convenient or suitable for you.

Q I don't want to be part of Glen Park or even be seen there my anxiety will go through the roof want to be kept where I have been my full life.

A There are no planned staff changes due to this merger so you should still be able to see or speak to your usual GP or member of our nursing teams. If in the future appointments are offered at either site, it will be patient choice about attending.

Q I will be changing to a different practice if this goes ahead.

*A If patients would prefer to consider other options, a list of other Practices near you can be found by visiting - <https://www.nhs.uk/service-search/find-a-gp>
